The D. F. Board of

against Rs 1,22,202, the
actuals of 1894-95 and Rs 83,770,
the sanctioned estimate for

under actuals is ^{due} to the

~~of this road within municipal~~
~~limits of the town~~, is to be
executed

executed by the P. W. D
or by the Municipality. In

Proceedings of the Government of Mysore

READ:—

Docket from the Deputy Commissioner of the Shimoga District, dated 29th January 1896, No. 822—578, submitting a copy of the Proceedings of the Local Fund Board, dated 16th idem, together with the District Fund Budget estimates of the Shimoga Circle for 1896-97.

No. 10154-7—L. F. 94-95, DATED, BANGALORE, 4TH MARCH 1896.

ORDER THEREON.—The District Fund Board of the Shimoga Circle estimate the revenue for 1896-97 at Rs. 87,800 under all heads against Rs. 1,22,202, the actuals of 1894-95 and Rs. 83,770, the sanctioned estimate for 1895-96. The large increase under actuals is chiefly due to the grant-in-aid of Rs. 34,000 made from Local Funds General for the construction of the Malnad roads. It is presumed that the estimate under "Tolls" includes the cess collected at the Lakshmipur toll gate creditable to the District Funds under Government Proceedings, dated 21st August 1895, No. 2524-5—L. F. 185-94. The other items of receipts call for no special remarks.

2. It is not clear how the opening balance of Rs. 3,087 is arrived at. A sum of Rs. 15,801, which is the estimated closing balance of the year 1895-96 as sanctioned in Government Proceedings, dated 25th February 1896, No. 9932-4—L. F. 14-94, will be adopted as the correct balance.

3. Including the opening balance, the sum available for expenditure during 1896-97 is Rs. 1,03,601 of which Rs. 88,840 is proposed to be expended leaving at the end of the year a balance of Rs. 14,761, which however is less than 25 per cent of the receipts.

4. *A. Public Works to be executed by Public Works Department.*—The provision made under this head, *viz.*, Rs. 63,421 includes Rs. 500 on account of metalling a portion of the Honnali-Shikarpur road within the Municipal limits of Shikarpur. It should be reported whether this work is to be executed by the Public Works Department or by the Municipality. In the latter case, the amount should be shown under "Contributions." Pending information, the estimate will be retained.

5. The estimate of Rs. 9,370 proposed under the head "B. Public Works to be executed by Revenue officers" includes lump sum allotments for the several Taluks and the Sub-Taluk of Kumsi without giving details of works to be undertaken during 1896-97. The provision will be retained, subject to details being furnished in due course.

6. *Civil Charges.*—The increase of Rs. 50 provided under "1. Office establishments" on account of batta for the Local Fund clerks in the District office, is passed.

7. *III. Hospitals and Dispensaries.*—The increase of Rs. 60 provided under this head on account of the monthly allowance of Rs. 5 to the Hospital Assistant in charge of the Local Fund Dispensary for his weekly visits to Ayanur is in accordance with Government Proceedings, dated 28th August 1894, No. 3353-5—L. F. 144-92. But no provision is made for payment of the District Fund share of the cost of the Dispensary for women and children at Shimoga for want of funds, and the Government are pleased to exempt the Board from making the contribution.

8. *IV. Midwives.*—The increased provision under this head includes a moiety of the salary of the extra midwife for the Shimoga District. This seems unnecessary with reference to the observations made in para 3 of Government Proceedings, dated 21st January 1896, No. 8274-83—L. F. 55-93, but the item will be retained pending further explanation.

9. *V. Sweepers for Travellers' Bungalows and Musafir Khanas.*—The provision made under this head is passed, subject to such modifications as may be ordered on receipt of Deputy Commissioner's reply to Government Proceedings, dated 20th February 1896, No. 9708—L. F. 74-94.

Proceedings of the Government of Mysore

10. The lump sum provision of Rs. 3,000 made under "VI. Conservancy and Sanitary charges" is approved, subject to details being furnished.

11. The other items which call for no remarks, are sanctioned.

12. The Budget estimates for 1896-97 as above sanctioned are shown in the accompanying appendices, of which an abstract is given below:—
